“ *Donna was one of the finest people we have ever known. She lived her day to day life with grace and dignity, whether raking leaves in the yard or sustaining a tenacious virtue of loyalty. She stayed the course and fought the good fight for as long as we have known her. A dear neighbor and friend. She will be sorely missed, but God is the lucky one as He will now have the presence next to Him of a truly inspiring soul. God bless you Donna and have a nice rest. We love you.
