“Mom what a special time we had, going to Woody's for pancakes, watching every one of your favorite videos, sitting and watching "Wanted dead or Alive", "Tails of Wells Fargo, "Death Valley Days" , "Walker Texas Ranger" & many many more tv shows. Trips for hair with Josie. Listening to your stories about you and Aunti growing up. Seeing you enjoy every hamburger and chicken breast we brought you. Sharing pumpkin pie with whipped cream and cheesecake. Walking in and you telling us you finished another word search book. Hearing you say to everyone you met that they were a angel. Watching you slowly and carefully open every gift you received. You telling us that you dusted your nick nacks and every other little chore you did while we were gone. We miss you but know you're not alone. Our hearts ache but are full of love that you gave us".
