“ I wanted to let you know just how much we love you. I want you to know I know what you are going through. It's been 3 years exactly since Robert died. I'm not going to tell you that it gets better. I have found that it's something you have to live with. Just know that if you need us we are a phone call or email away. Take things one step at a time and if you feel like screaming or crying or anything go ahead and do what you have to do.

we love you,

“ Been thinking about all you guys a lot over the past year wondering what everyone's been up to. I kick myself for not acting on my thoughts and dropping by to say hi. But, it helps me to think about the good ol days in Groveland... helps to ease the pain a bit. I miss you and I'm sorry for not being there. Mom just called me today 7/12 at 3:30pm. I told her that's why I didn't get a daily paper. Always some kind of bad news. I'm always here for ya if you need a shoulder or an ear. xoxo

“ My heart goes out to my brother and his family at this time of the greatest sorrow a parent can face. I know Jesus will be standing beside the family and will lift them up today, knowing Patrick will be with his father in heaven. No words can express the sorrow I feel for the family. May God bless you and keep you in the palm of his hand this day and the days ahead. I love you all.
