“ If you needed a visual tool as to what it looks like to LOVE you would see Phyllis.
If you needed to see doing something for some one while sacrificing your own need you would see Phyllis
If you needed to see what real compassion was for others you would see Phyllis
She loved deeply , she eagerly listened to your life , she did all she could and go to the ends of the earth for all .
This is only a portion of the life of Phyllis ...
I 'm glad that she was a part of my life at the age of 15 . She was there for me when I felt no one else was .
She loved my children with all her might . They are fortunate to have had her help in the building of their characteristics .
Rest in PEACE Philly And someday I hope to see you on the other side
