“ *I miss and love you so much Grandma. I wish I had gotten in town to see you more often. I loved going to see you at work. I loved the times when we worked together at the hospital and had lunch together. I loved our Friday night Steak n Shake chilli and Yahtzee nights. I will cherish our memories forever. I miss you so much it hurts but I know you are no longer in pain and I thank God for having you in my life. I love you Grandma and RIP.*
